CEO BREAKFAST AND TOWNSHIP PANEL DISCUSSION

The event kicked off with an impactful start, highlighted by a successful CEO Breakfast that drew a full house of industry leaders and decision-makers. The session set a strong tone for collaboration and innovation. The day concluded with engaging discussions on Township SMMEs, emphasizing inclusion, enterprise development, and new growth opportunities within the automotive sector.

CONFERENCES & EXHIBITION HIGHLIGHTS

For three energetic days at our new venue, Gallagher Convention Centre; industry leaders, innovators, and automotive specialists explored emerging trends and breakthrough technologies. Alongside the exhibition halls, highlights included floor competitions, the insightful CILT and CRA Conferences, the prestigious MasterDrive Fleet Safety Awards, and a thought-provoking Right to Repair Talk. The event delivered a dynamic, knowledge-rich experience that continues to define the continent's automotive marketplace and drive innovation across the sector.

THE INDUSTRY SPEAKS

"We believe Automechanika is absolutely the perfect way for us to communicate closer to the market and showcase our products and also to get a feeling for where the market is." - Heinrich Stoltz, SKF

"We had some pretty good conversations and we had people all over Africa in our booth and the interest in our product is pretty high." - Fabian Krausgrill, ClimAir

"As a second year attendee, the venue was much nicer this year than last year." - GRI Engineering

"Absolutely nothing to complain about. Everything has been amazing for us at Diesel Center." - Diesel Center
