CEO BREAKFAST AND BACKDRAFT COBRA

The event kicked off with a successful CEO Breakfast, welcoming a full house of industry leaders and decision-makers. Backdraft Cobra brought the excitement of live car assembly, as visitors watched a car come to life in real time, from the chassis up, with key components assembled and taken apart for a fascinating behind-the-scenes look.

CONFERENCES & EXHIBITION HIGHLIGHTS

The conference programme brought together industry professionals from the automotive, remanufacturing, logistics and transport sectors to share insights, explore emerging trends and network. Highlights included the CILT Conference, the ARA Tech-Talk Conference, and conferences hosted by Goldwagen and Global One Automotive Southern Africa, featuring expert presentations, technical training and business insights. The MIWA SpannerTorque Pavilion brought the independent automotive aftermarket together at Automechanika Johannesburg, featuring 12 companies, including Bosch, GUD Holdings, Hella, ZF, Diesel Electric, MANN+HUMMEL, Right to Repair, Launch, Green Drive, Abes, Workshop Pro and Backdraft Cobra.
